MICRONEEDLING

On the first day you will be carrying out microneedling on each other so you must all participate and engage in this activity of treatment to allow Ampika's Aesthetics to qualify and pass you on this area which is crucial to gain insurance.

You are required to turn up make up free so the training academy are ready to go through your consultation and carry out your treatment.

We appreciate this is not always possible. Removing makeup can take up valuable time within your appointment. The other alternative is if you have specific makeup removers you wish to use you are welcome to bring them to remove your makeup before treatments commence.

LEVEL 4 COURSE OVERVIEW

Level 4 course consists of:

- EIGHT TRAINING MODULES

Units completed on this course in the following areas:

- Health, safety and hygiene for aesthetic procedures
- Client consultation for aesthetic procedures
- The biochemistry and biology of cells
- Skin morphology and the inflammatory response
- Skin disorders and diseases relative to aesthetic practice
